Distributor Benefits

Sales Territories

NAOEVO takes good care of any of our distributor because we don't want many distributors in one area to compete against each other that leads to lower profit. We want all of our distributors to gain reasonable profit to offer quality service to our customers.

Unique Products

NAOEVO has the best engineering team in Automotive lighting. We develop new patent unique products every 6 months, and that means you will always be leading in your market.

Marketing Support

We have rich marketing experience in improving our partners' sales. In the past 20 years, we helped hundreds of companies succeed in the industry. We will support you step by step to grow the business together. We will offer you quality product pictures, videos, brochures, posters, LED testers and product display shelves, which will make our products stand out among others.

Quality Service:

We have enough stock for NAOEVO products, and that means NAOEVO always delivers fast. And you will never be out of stock. We have promotional sales to take care of our distributors, and if you have any questions, we will answer in time.

About **NAOEVO**

Focus On Automotive Lighting For 20 Years
Sell Well In 50 Countries In The World

ENTERPRISE CHRONICLE

2006

Company Establishment

Founded on March 30, 2006, the company initially specialized in headlight amplifiers before shifting focus to HID bulb production from 2007 through 2014.

2012

R&D and production of LED Car Lights

In 2012, driven by a pioneering spirit, NAOEVO took the lead in the industry by being the first to invest in R&D and production of LED headlight bulbs.

2019

China-Turkey Joint Operations Established

In 2019, NAOEVO set up its domestic branch and a joint factory in Turkey. By working together across borders, we combined global resources, improved our services, and built a strong business network.

2008

Ministry of Foreign Trade was established

In 2008, NAOEVO launched its foreign trade department, precisely grasping the opportunities of international trade, and the products are sold well overseas.

2016

Global Brand Strategy

In 2016, NAOEVO global brand strategy was officially launched to build a globalized service network covering 64 countries and regions, starting with brand value output.

2025

Global Distributor Expansion Program

Until 2025, NAOEVO has 50+ exclusive distributors. We're seeking partners worldwide to join our distributor network. We offer strong market protection, competitive pricing, and full marketing support to help our distributor succeed.

Durable quality with high-speed silent hydraulic fan

Easy Installation

Non-destructive installation, wireless installation does not hurt the car

Canbus Decoding

Innovative LED linear decoding scheme

Oblique Angle 12 Degrees

Oblique angle 12 degrees patent design, eccentric car models easy to install

Specification

Power	70W/Set	Lumen	7500LM/Set	Bulb Model	H4-H/L, H7, H8/9/11, H13,9005, 9006, 9012.
Voltage	9-16V	Current	2.6A		
Color	6500K	Cooling	Multi-directional		
Chip	45mil*8	Fan	Hydraulic fan		
Warranty	1 Year	Lifespan	50000HRS		

PL60

Exclusive aesthetics look

Large Size Chip

55MIL*8 Larger Size Flip Chip

8500RPM Fan

Durable quality with high
-speed silent hydraulic fan

Bigger Copper Heat Pipe

20W Heat transfer

All in One Design

Multi-directional heat
dissipation system

Efficient Decoding

Innovative LED linear decoding
scheme, High brightness, High
luminous efficacy with the
powerful decoding ability

Specification

Power	120W/Set	Lumen	14400LM/Set	Bulb Model	H1, H3, H7, H8/9/11, H10, H16, 9005, 9006, 9012, 5202, 880/881, H4-H/L, H13-H/L, 9004-H/L, 9007-H/L, D2, D4.

Feature

Large Size Chip

3 pcs big size higher illumination 60mil chip

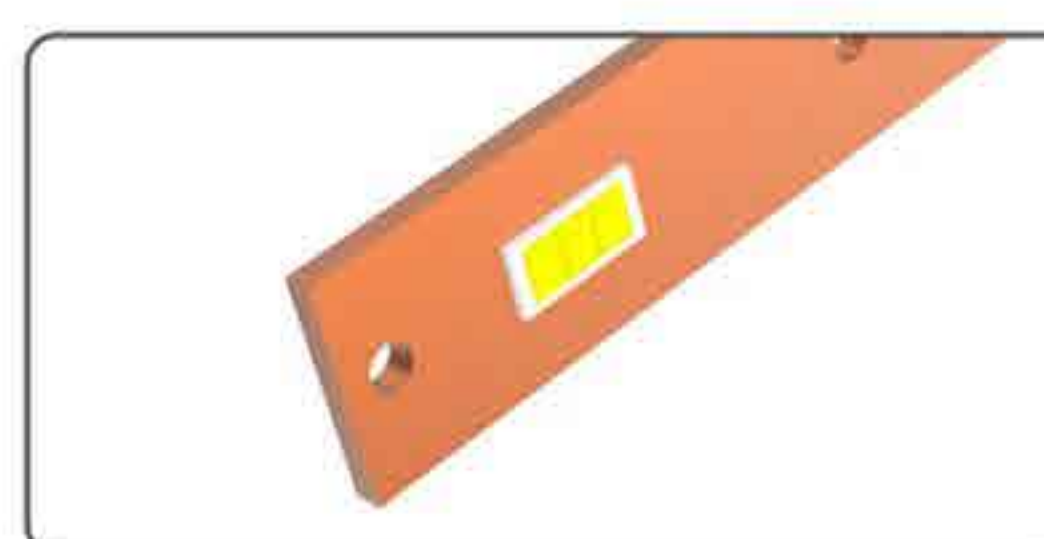

Non-polarity design

NO need to replug again

8500RPM Fan

Durable quality with high-speed silent hydraulic fan

1.0mm copper

1.0mm copper PCB makes standard beam pattern

Thermistor

Protect the LED bulb, Less than 1% warranty

Standard Beam Pattern

Cut-off Line Low Beam

Specification

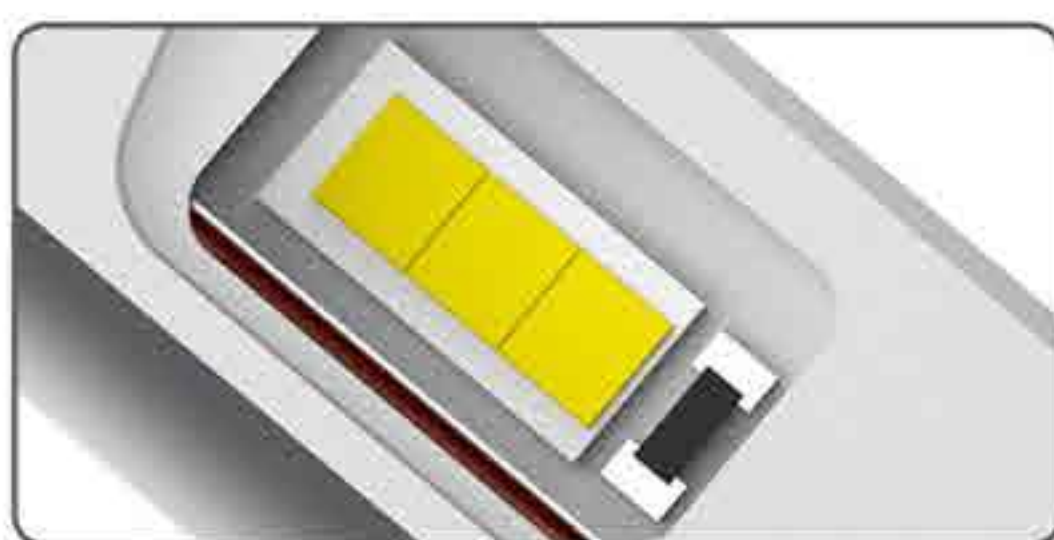

Power	72W/Set	Lumen	8640LM/Set	Applicable Vehicle VW Jetta Sportwagen, Volkswagen Golf, VW GTI, VW Passat, VW Tiguan
Voltage	9-16V	Current	2.7A	
Color	6500K	Cooling	Multi-directional	
Chip	60mil*3	Fan	Hydraulic fan

LED Fitting Adaptors

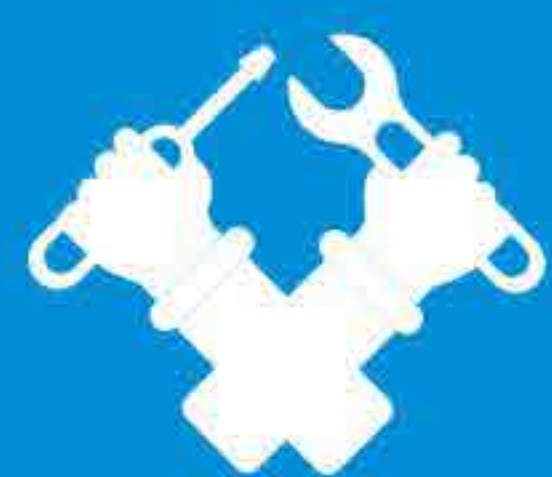

What is the
LED Fitting Adaptors?

It is the product you need to fix the LED headlight bulb to your vehicle. By fixing it inside the headlight, it ensures that the LED hits the focal point in the headlight bowl.

Only For Led Headlight Bulbs.
